

Thank you for joining Abel PRC for our 2024 Baby Bottle Campaign. Our team at Abel appreciates all the effort and dedication demonstrated by you, the Body of Christ in making this fundraiser a success.

We are blessed to be able to reach out to a very great number of churches in the communities surrounding Abel every year. The financial blessing which comes in as a result of this fundraiser is an immense encouragement to all of us who volunteer and work at Abel. The lives of pre-born children in our communities hang in the balance every day. Your assistance gives these innocent children a greater chance of being saved, and we thank you for your sacrifice for their lives.

Simply take a bottle or two home and fill it with your loose change and or dollar bills. We will also be happy to accept a check in the bottle as well. After it is full, return it to your church or feel free to visit us at Abel and drop it off. Please feel free to contact us at Abel PRC with any questions. You may also visit us online at www.friendsofabel.org for more information.

Thank you and God bless you.
