The Lord will open the heavens, the storehouses of his bounty, to send rain on your land in season and to bless all the work of your hands. You will lend to many nations but will borrow from none.

Silent Cries

Our world is plastered with images of those who are suffering. We constantly see the desperation of our Father's single greatest creation. This desperation has ultimately been realized as a result of deception by humanity's greatest enemy. This enemy "prowls around like a roaring lion looking for someone to devour" (1 Peter 5:8). What better way to achieve the goal of destroying God's most precious and beloved than to deceive those who hold the power of LIFE and death in their hands. In the shadow of unplanned and/or unwanted pregnancies live the purist, most innocent and defenseless voices of all humanity. They have not participated in any action which cancels their right to live nor are they trash to be thrown away out of convenience, they are the pre-born. Can you hear their silent cries?

Consider the souls and hearts of those faced with an unplanned and/or unwanted pregnancy. We, as the "Body of Christ", are called to recognize the miraculous roles of women and men and the intended delight in pregnancy, additionally we must recognize the disastrous circumstances for whom many find themselves in. In an unplanned/unwanted pregnancy the deception of a broken world leads to panic, denial, fear, anger, worry and guilt. The voice of the enemy says, "you can't do this", "you have to hide this", or "you can just make it all go away". Consider the battle in the minds and hearts of parents to be. Can you hear their silent cries?

Those who have the truth in their hearts because of Christ, are uniquely ready to offer answers to men and women in these circumstances because we have hope. Our hope has a name and our hope sacrificed everything all the way to the cross for all humanity. Inside and outside the walls of the sanctuaries of the church, we can listen to the cries of those teetering on the edge of making a decision for abortion. It is through our hearts of empathy and mercy that all affected by an unplanned and/or unwanted pregnancy can find the truth and hope. In Christ, the silent cries can be heard and comforted.

Prayer Requests

1. VOLUNTEERS VOLUNTEERS VOLUNTEERS

Please pray for the additional volunteers needed to expand our hours of operation as well as those needed to take a mobile unit into outlying communities.

This need is for both medical and non medical volunteers. Please pray that those who have a passion for families will hear from God and step out in faith to make our services more readily available.

- * Client Advocates (men & women)
- * Registered Nurses to be trained to perform limited obstetric ultrasound exams
- * Post Abortion Counselor (a person who has had an abortion & has gone through a post abortion counseling program successfully realizing the forgiveness and healing of Christ)
- * Certified Addiction's Counselor We are in need of a professional counselor who has the flexibility to commit to 4 hours once a week.

Abel Pregnancy Resource Center is not a building and cannot run without volunteers of all kinds as well as out employed personnel. Please pray for a wave of interest in the mission and ministry of Abel and that this wave of interest will translate into more success.

2. LIAISON TO LOCAL CHURCHES

It is so vitally important for Abel PRC to have a presence in each Bible believing church within a 100 mile radius of the center. A liaison champions the work of the center and provides a vital link of communication between church leadership and Abel. Please pray and consider becoming a liaison and partner with us for His glory.

3. PROTECTION

It's no big secret that the forces of deception and death do not approve of our worldview. The industry of death (the abortion industry) would love nothing more than seeing pro-life centers shut down. Our intercessors must be vigilant in prayer for our government leaders to see the truth, repent and follow God's ways.

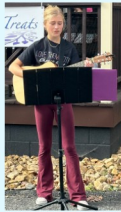

Save The Date

July 27th, 2024 at Fountain Springs Golf Course, Abel Pregnancy Resource Center will hold our annual golf tournament. We will fill two full rounds and have an amazing time of great food, great prizes and great golf. All of us at Abel truly hope you will be able to make it to the 2024 event.

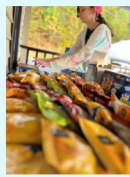

We will begin registration on the 2nd of February, *Groundhog Day*. We will only be registering for the first round until it has been filled up. After it has been filled we will begin registering for the second round. Any and all golfers who have participated in the golf tournament over the last three years and has provided the center with contact information will receive more details before registration opens in February.

The Future

Clearly the enemy is active and relentless in his desire to destroy as many human lives as possible. There is no limit to the level of lies and deception he will use. Therefore we will continue to fight and contend for the lives of the pre-born. We will continue to be a beacon of light for the hopeless and scared men and women of our communities.

It is our great desire to expand our hours of operation by adding another day to our open days of the week. We would also like to remain open longer in the evenings for those who work 9 - 5. In order to make this desire a reality, more committed volunteers are needed. Abel PRC is not a building, it is the people who minister to our clients. Please pray and consider coming on board with us. The commitment for client advocates is 4 hours a week. We will provide all the tools you use in the center, equipping you to be effective with clients.

Merry Christmas & Happy New Year
